Central Elementary PTA
c/o Central Elementary School
130 Stepney's Lane
Edgewater, MD 21037
www.mycentralpta.org

Dear Race Participant,

Thank you for coming out to support your local public elementary school! This race is only possible because of the countless hours of volunteer help, the businesses who support our efforts through financial contributions and donations of services and goods, and people like YOU who come out to participate.

Please be sure to do business with these local businesses whenever you can, and make sure to tell them you appreciate their support of Tiger Trot. If they stay in business, we'll have support for these important events year after year.

Central Elementary's PTA hopes you have a great race, especially knowing that this effort will help bring fantastic things to Central. This race is the "Trot for Teachers," and funds raised will provide teachers with supplies and equipment to enhance the learning experience for all the children. It helps by getting the entire community involved in the public school endeavor — important to the success of all our boys and girls.

Thank you again,

Your Central PTA Executive Board:

Kate Jones
President

Tom Daily
Vice President

Suzi Marceron
Secretary

Trevor Kiessling, Jr.
Treasurer
